BIHAR ELECTRICITY REGULATORY COMMISSION, PATNA

NOTIFICATION

The 29th March, 2012

No. BERC–Regulation 6/06 (Part–IV–I)–02— In exercise of powers conferred by Section 181 (1) and 181 (2) (x) read with Section 50 of the Electricity Act’ 2003 and for removal of difficulties of various stakeholders, Bihar Electricity Regulatory Commission hereby makes the following amendment in Bihar Electricity Supply Code, 2007 which was originally issued vide Notification No. BERC/Reg–6/2006/529 dated 31st December, 2007.

2nd Amendment to Bihar Electricity Supply Code 2007

1. Amendment in chapter 2 of the code–

In the Bihar Electricity Supply Code, 2007 (hereinafter called the Principal Code), the last two lines of clause 2.2 is substituted by–

“In case of any inconsistency between the code and Tariff order in force, the provisions and meanings contained in the Electricity Supply Code shall prevail.”

2. Amendment in chapter 3 of the Code–

The clause 3.4 of chapter 3 shall be substituted by–

“The supply voltage for different contract demands shall normally be as follows,”

<i>Supply Voltage</i>	<i>Minimum Contract Demand</i>	<i>Maximum Contract Demand</i>
<i>230 Volts</i>	<i>-----</i>	<i>Up to 7 K W</i>
<i>400 Volts</i>	<i>5 K.W and above</i>	<i>70 K W</i>
<i>11 K V</i>	<i>75 K V A.</i>	<i>1500 K V A.</i>
<i>33 K V</i>	<i>1000 K V A.</i>	<i>15000 K V A.</i>
<i>132 K.V</i>	<i>7500 K.VA.</i>	<i>-----</i>

LT Agriculture and LT Industrial Consumer of load between 2 KW & 5 KW have option to avail supply at 230 volts or 400 volts.

3. Amendment in chapter 4 of the Code–

(i) *The existing clause 4.13 of the principal Code be numbered as 4.13 (A).*

(ii) A new clause 4.13 (B) shall be inserted as

“4.13 (B) The person residing/occupying in the premises such as road side panwala, shops, Jhuggi Jhopari, slum settlers etc. on encroached Govt./Semi Govt./public land and have taken a shape of settlement desirous of taking new electric connection and are unable to furnish proof of ownership of premises shall be allowed to take electric connection on submission of the followings.

(i) *Application in prescribed format in Annexure–I of the Code.*

(ii) *Proof of occupancy such as Attested true copy of proof of identity (voter ID card, or BPL card or PAN card or Ration Card with photograph or latest Bank/Post Office Pass book with photograph or passport or driving license or MNREGA identity card or any other photo identity card issued by Government).*

(iii) *Submit Affidavit in the format in Annexure–I A*

(iv) *Deposit all the required charges for taking new electric connection.*

However the release of the electric connection does not confer any legal right over the premises whatsoever in any manner.”

4. Amendment in chapter 7 of the Code–

(i) The following shall be added at the end of clause 7.7 (a)–

“However in case the service line has not been removed by the licensee and a consumer desires to revive his permanently disconnected connection, it may be revived after payment of demand charges/fix charges and minimum

charges and disconnection/reconnection charges by the consumers for the period of the disconnection”

- (ii) The following shall be added at the end of clause 7.11 (5)

“In case Consumers of DS and NDS category apply for enhancement of load and declare that necessary modification in wiring has been made, and if no action is taken by the licensee within the stipulated period, the applied load shall be deemed to have been sanctioned after thirty days of receipt of application. The requisite charges if not paid earlier shall be payable on the receipt of the demand from the licensee”.

- (iii) The following shall be added at the end of clause 7.14 (3)

“If the applicant is not able to pay the full dues at a time, the licensee may grant suitable installments. In case of non payment of installments the dues will be transferred to new service connection”.

- (iv) A new clause shall be inserted as 7.14 (4)

“In case the service line has not been removed by the licensee and a consumer desires to revive his permanently disconnected connection, it may be revived after payment of demand charges/fix charges and minimum charges and disconnection/reconnection charges by the consumers for the period of the disconnection”

By the order of the Commission,

Sd/-Illegible,

Secretary,

Bihar Electricity Regulatory Commission.
